EVENTS THIS WEEK

- We held our **Open Evening** in school last night and it was a great success, a real testament to the hard work being done by all in school. Our students did us proud and there was a great atmosphere around the school. The initial feedback we have been getting has been exceptionally positive.
- Last Friday, our Year 11 Artists returned to **Roche Court New Art Centre** to complete the recording of their podcast- an interview with the prolific Artist Laura Ford. They learnt from Sound Engineer Dan and scriptwriting/editing from Zach. They had another view of the sculptures, before then embarking on scripts for recording in the studio. The podcast will be available in a months' time.
