## EVENTS THIS WEEK

- We had representatives from **NCS** meeting with our **Year 11 students on Monday**. They deliver free residential programs in February half term. These are a great way for students to grow essential skills and challenge themselves by pushing them out of their comfort zone, through our adventurous activities and key life skills workshops and opportunities.
- On **Tuesday** we hosted a dodgeball festival for the local primary schools where a number of our students were assisting and umpiring.
- We had a visitor from **St John's 6th Form** come in on **Tuesday** to speak with our Year 11 students.
- Our Year 11 students received their mock exam results on **Thursday**.

## EVENTS COMING UP

- **Year 11 Parent's Evening** will be held on the **25th January**, bookings are now 'live' and can be made through the online booking system.
- We have the **school immunisation team** in on **31st January**, this is for the HPV vaccine for Year 8 students - and the Td/IPV vaccine for Year 9 students. A link has been sent out to all year 8 and 9 parents/carers with information and link to the consent form.
